

### **Stanford University leading by example with Smarter Surfaces**

Stanford University, located between San Francisco and San Jose in the heart of California's Silicon Valley in the US , is one of the world's leading teaching and research universities. Since its opening in 1891, Stanford has been dedicated to finding solutions to big challenges and to preparing students for leadership in a complex world.

To assist with this, the renowned Ivy League university has introduced Smart Wall Paint into their Digital Language Lab. Located in the Lathrop Library, the Digital Language Lab features walls painted with Smart Wall Paint - to facilitate students with their learning.

The area is equipped with a rail shelf for students to store whiteboard paint accessories and to assist with writing and wiping off the whiteboard paint.
